

TUTORING 101

Mission

Momentum Tutoring is a nonprofit 501(c) 3 devoted to elevating the community by providing customized tutoring, mentoring, and enrichment to K-12 students in East County San Diego.

Navigating school work alone can be a challenge.

Momentum's community of collaboration elevates student skills, confidence, resilience, and joy.

Tutored students outperformed non-tutored students in 45 out of 52 studies, a rate of nearly 90%.
